

# Image Preparation for Monthly Competition

(In 4 easy steps)

## Background

- Our new club projector has full HD resolution capability (1920x1080) for stunning image quality.

- HD format is a 16x9 aspect ratio like most newer televisions. This format is “w i d e r” than our old projector.

## Basic Steps\* for Image Submission

- Resize your image for 1920x1080 pixel maximum dimensions
- Convert or export your image to JPG format
- Rename your image

- Email your submission before the deadline

\* Some programs perform the actions above in a single step.

## Resizing Basics

First prepare your image as usual (crop & adjust)

- For most images set the height to 1080 pixels
- For w i d e images set the width to 1920 pixels

# Notes

- Your final image should not exceed 1920 pixels in width or 1080 pixels in height
- The new submission deadline is 11:59 pm on the Sunday prior to the competition
- All images should be .jpg format
- Sharpening is optional. You should “sharpen for screen”.
- Image names should include the photographer name, competition class and type
  - Example: “Jennifer Lackey–Adv–Color–1.jpg”

- Email competition images to [ccclexcontest@gmail.com](mailto:ccclexcontest@gmail.com)
