Annual Christmas Party and Awards Banquet

The highlight of the holiday season is upon us! It's time for the annual CCC Christmas Party and Awards Banquet. Once again, we are the guests of Fasig Tipton on Newton Pike. Search for the flashing lights to direct you for parking.

Come see the slide shows - find out who is the Photographer of the Year (fondly referred to by the Board as the POY).

Share the great snacks - remember to bring your own to share as well. It's always a fun night.

As with all things handled by volunteers, it takes many hands to make a successful event. Thank you to all who were on hand to lend their hands to make the CCC Annual Print Show successful.

Of course, the CCC Annual Print Show and Gallery Hop could not have happened without Heather Lyons, LASC Executive Director, and Elaine Quave, LASC Gallery Director, so a very special thank you is in order to them for sharing their space with us again this year.

And finally, we would like to thank and acknowledge our judges Mary Rezny, Mary Lashbrook Lawson and David Stephenson for taking time from their busy schedules to provide us with their commentary. It was a pleasure to have them with us.

Please remember that prints must remain in the exhibit until Dec 31.

All prints must be removed by **Jan 2 (9-2)**.

If you are not going to be able to personally pick up your print, please make arrangements with a friend to do so for you. The LASC needs to ready the space for the next exhibit and we do not want to hold them up.

While you are celebrating - think of topics or questions for the Photographer's Panel in January. We'll have an august panel of talented image-makers ready to engage us in a discussion of topics for which we seek answers. Grab a card at the party and provide us with your questions .

Things to shoot and things to see

Pine Mountain State Park Photography

Begin Date: 1/27/2012 **End Date:** 1/29/2012

Title: [Winter Photography Weekend](#)

The weekend event is a quest that leads you on a discovery trek to out-of-the-way places where raw nature resides. Woodlands, waters, weather and wildlife are all part of the experience, and it all takes place at one of the park system's finest natural resorts. The evenings feature spectacular picture shows offered by our guest professional, and the wonderful dining and cozy accommodations on hand at the rustic lodge round out the experience.

The weekend's agenda focuses on nature and offers up four competition categories in two divisions. There's both an amateur and accomplished class of competition, so participants are competing only against photographers of similar skill. Participants always enjoy the relaxed atmosphere that permeates the mountaintop resort in winter.

If you're looking to get out in the frosty air to stretch mind and body, Pine Mountain's Winter Photo Weekend just may be the adventure you're looking for. A special package will be offered for this year's event that includes two nights' accommodations, two evening meals and admission to all shows as well as the competition. The event package for one person is \$139 (plus tax); the package for two persons is \$189 (plus tax). The fee for the photo program only is \$30 a person. Registration is required. To register or to make a reservation, phone the park's Guest Services Desk at 800-325-1712 and mention the Winter Photo Weekend.
