Lexington, KY
February 2011

Join us for the first competition of 2011.

For those who are new to the Club, go to the Competitions section of our website to find detailed instructions for submitting your images to include in the competition.

Only paid Club members are eligible to compete. You can pay your dues on Thursday and still participate in this first competition.

Color images: Submit your work by 11.59pm Tuesday February 15 to be included.

Black and white prints: bring to the Club meeting on Thursday. Please be sure to clearly mark the back of the work with your name, your class (beginner, intermediate or advanced) and remember to pick it up at the close of the meeting.

John Snell will be conducting the critique for this competition.

Sunrise & Sunset - competitively speaking - capture the orb's ascension toward full morning or descent toward darkness.

Astronomically speaking,

Sunrise is the instant at which the upper edge of the Sun appears above the horizon in the east. Sunrise should not be confused with dawn, which is the (variously defined) point at which the sky begins to lighten, some time before the sun itself appears, ending twilight.

Sunset or sundown is the daily disappearance of the Sun below the horizon as a result of Earth's rotation. The time of sunset is defined in astronomy as the moment the trailing edge of the Sun's disk disappears below the horizon in the west.

Club Business

The Board has been reviewing our By Laws and will be presenting for Club approval a number of revisions during the upcoming meetings. The By Laws are posted in their entirety on our website at the following link: <http://www.creativecameraclub.org/bylaws.pdf>

Once again, please review these proposed changes:

Proposed Change #1

Delete Page 4 . item 11 E

Add Page 4 . item 12 C

Reassign the following duties from the Club Secretary to the Club Treasurer.

C. Maintain an adequate supply of needed inventory for the club such as ribbons, certificates, plaques, ballots, projector bulbs, etc.

Proposed Change #2

Page 6, Annual Print Competition Item 1, amend entry qualifications to require attendance at 6 club meetings instead of 3.

1. **ENTRY QUALIFICATION** – Entry in the Annual Print Competition and Exhibition is limited to those who have attended at least **six (6) [three (3)]** club meetings and/or club functions as a paid member during the calendar year in which the show occurs and prior to the month of the show.

Proposed Change #3

Levels points will be purged from the database for any Club member who has not paid dues for a five year period.

We will bring these up for discussion at the February 17 meeting and present them for a vote and adoption.

Are you a winner? The Feb meeting is your last chance to claim your awards from the 2010 season. See Don.

Please be sure to complete the 2011 Registration form and the Questionnaire that are attached to the email. Bring them to the February meeting with your annual dues, or mail them back to Don Mills, 1851 Blackburn Rd, Cynthiaana, KY 41031

New Policy

Please take note -

The Board has adopted the following meeting guideline - if Fayette County Schools are closed or are dismissed early due to inclement weather, any Creative Camera Club activities scheduled on that evening will be cancelled.

First Thursday

March 3 - Web Site Workshop.

Richard Labunski, a UK journalism professor who has taught Photoshop there, will offer a workshop at 7:00 pm at the church.

Richard will cover three main topics:

- a) How to set up and create a photography Web site at one of the hosting services
- b) How to use Photoshop to create a Web site, particularly how to create galleries in Photoshop Bridge
- c) How to upload the new Web site

April 7 - Get Control of Yourself.

What are all those buttons and setting for on your camera? What do they actually *do*? How do you make them do what they're supposed to do? Here's your chance to find out. Bring your camera (and the manual!) to this meeting and ask some of our more experienced photographers about *their* equipment. This is a no-pressure way to learn where everything is and to get familiar with the controls on the camera, what they do and why you would use them.

(Sign up for Zane Williams' Basics workshop in March and then come to this meeting to expand your horizons).

Things to shoot and things to see

Club Field Trip

Mark Your Calendars for July 28-31.

John Snell will be leading us on another trip to the Blue Ridge Parkway/Smokies area the weekend of July 28-31. We'll plan to stay in Waynesville, NC and make our day trips from there. More specifics, including sign-up sheets, will be provided in the coming months.
