January 2011

This month Ron Curtis will share with us the world of 3D Imagery . complete with the goofy glasses.

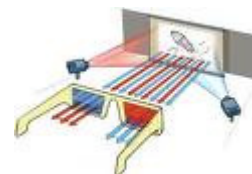

We see Ron everywhere about town with his 3D rig capturing everything - and everybody - in the

different format.

Take a look at his website and see the many galleries featuring both 2D and 3D images.

www.pictureky.com

Ron was raised in Lexington, KY. He joined the US Navy after graduating from Henry Clay HS in 1964, serving in Viet Nam as an electronic technician specializing in cryptography.

Following a stint with NCR as a Main-frame Technician, in 1986 he opened Computer Repair Services, which he continues to run today.

In 2006, Ron pursued and interest in photography and started Picture Kentucky specializing in 3D photography.

Ron is married, has 4 children, 5 grandchildren and two great grandchildren.

Club Business

The Board has been reviewing our By Laws and will be presenting for Club approval a number of revisions during the upcoming meetings. The By Laws are posted in their entirety on our website at the following link: <http://www.creativecameraclub.org/bylaws.pdf>

Here are the first changes for your consideration:

Proposed Change #1

Delete Page 4 . item 11 E

Add Page 4 . item 12 C

Reassign the following duties from the Club Secretary to the Club Treasurer.

C. Maintain an adequate supply of needed inventory for the club such as ribbons, certificates, plaques, ballots, projector bulbs, etc.

Proposed Change #2

Page 6, Annual Print Competition Item 1, amend entry qualifications to require attendance at 6 club meetings instead of 3.

1. **ENTRY QUALIFICATION** – Entry in the Annual Print Competition and Exhibition is limited to those who have attended at least **six (6) [three (3)]** club meetings and/or club functions as a paid member during the calendar year in which the show occurs and prior to the month of the show.

Proposed Change #3

Levels points will be purged from the database for any Club member who has not paid dues for a five year period.

We will bring these up for discussion at the January 20 meeting and present them for a vote and adoption.

Please be sure to complete the 2011 Registration form and the Questionnaire that are attached to the email. Bring them to the January meeting with your annual dues, or mail them back to Don Mills, 1851 Blackburn Rd, Cynthiaana, KY 41031

First Thursday

February 3 . Tim and Bev Walden will share their inside scoop on marketing your work.

March 3 . Creating a Website Workshop with Richard Labunski. This workshop touches on building a basic website using Photoshop tools. There will be a sign up sheet at the January and February meetings.

Care to shoot at the drop of a hat? Share your contact information with the crew if you are interested in going on impromptu photography outings. We might run up to Maysville, jump over to Midway, slide down to Somerset . you get the drift. These outings will not require sign ups, will not have a lot of “advanced planning” but will provide the opportunity to go out and shoot with other club members and have some fun.

Farewell to a Club Friend

Paul Evans, a beloved, long time club member and past treasurer, died December 29. This photo was taken on a Club trip to the Blue Ridge Parkway at milepost 431 just after we'd gathered for a sunrise shoot about 12 years ago. Memorial service arrangements are still pending.

Many of us knew Paul as a youthful "senior" member of the Club, someone who always had a smile on his face and who discharged his duties as club treasurer quite willingly. Paul's son, Greg, works at Murphy's Camera here in Lexington.

Things to shoot and things to see

Central KY Computer Society

Winter classes are underway with a host of cool offerings, including Digital Imaging, Creative Graphics, Photo Principals for Point & Shoot . check out all of them on their website:

Lexington Arts and Science Center is looking for four photographers to volunteer during H'Artful on Saturday February 5th. They will have 3 or 4 classic cars to stage for photographs, and Lexmark is going to set up a printer on site for us to print out pictures. If anyone is interested in photographing the event, LASC would greatly appreciate our help. Contact Elana directly. EQuave@lasclex.org, or 252.5222.

Not quite photography - but...pretty cool

Another volunteer opportunity has come up to work with Swedish Gallery Director Jan Lech and Russian born artist Ludmila Pawlowska: Preparing for Icons in Transformation which opens Friday, February 18 at Christ Church Cathedral, Lexington. A European art exhibit of this stature does not get to America and up on the walls of Art.at.the.Cathedral by magic. It takes volunteers to help with the installation and presentation. Helpers to assist installation. Docents trained to tell the story. Devotees to learn about icons. If you are interested, please contact Jesse Mark directly by email at jmark@ccclex.org or 559.5943.
