41st Annual
Print Show

Drop Off - Saturday Nov 12  10am - 12 only
Bring prints to the Living Arts & Science Center. All prints need to be framed, ready to hang, and labeled with the artist’s name, the print show category in which it is being entered, the location in which it was taken, the value / price (we must have this for insurance purposes, even if you do not intend to sell your work), and the total dimensions of the work.

If you cannot come to the drop off, make arrangements to have a friend bring your stuff. No entries will be accepted after noon on Saturday.

We need volunteers to help with drop off / check in and to help hang the prints after check in; if you are interested in helping out, make your availability known when you arrive and we’ll be happy to put you to work.

November Meeting - 7pm Thursday November 17 at Living Arts & Science Center
Please be sure to attend the November meeting - and get there timely so we can get the judging underway - so you can vote for the best of the best in our annual Print Show competition. See how your evaluations stack up against our guest judges.

Gallery Hop - 5-8pm Friday November 18 at Living Arts & Science Center
We will also need help with refreshments for the Gallery Hop. Please bring along your specialty finger foods to the Living Arts & Science center for the Hop on Friday, Nov 18, 5-8pm. Then, feel free to stay and help with the clean up once the Hop is over.

First Thursday

Dec 1 - Lighting - how to use it to your best advantage.

Jan 3 - Whaddya know? Or not. An open discussion of topics we’d like to explore in 2012 and how we’d like to get there. Come with your ideas and questions, and lets map out our year.

Come join us on the first Thursday of each month at the church for a more informal, interactive meeting. This is a great venue to ask questions about your gear, about how to improve your technique - bring samples of your images to share and compare.

The members convene at 7.00 pm.
