Charles Bertram to Speak September 17

My first association with the Lexington Herald was in 1961 when my photo appeared in the paper during an event at Stonewall Elementary. I attended public schools in Lexington for 1-12 grades graduating in 1974 from Tates Creek High School. While attending the University of Kentucky, I started freelancing for the Associated Press and then became the Lexington Herald's state desk part-time freelance correspondent photographer in early 1977. It was with this job that I became very familiar with every county and back road in the Herald-Leader's circulation area as each day I would travel to a different county looking for individual feature photographs and story ideas. I learned to appreciate the differences in our readers between rural and urban areas of our Commonwealth. I joined the staff as a part time photographer in 1978 and went full time in 1978.

While at the Herald-Leader I have been named the Kentucky News Photographer Association's Kentucky photographer numerous times. Among the larger projects I have worked on include: a series on housing conditions in Ky., children in poverty, 2 different series on migrants in Ky. An image of a firefighter rushing a burned child to an ambulance was used as the cover of 2 different college textbooks on photojournalism. I've had photos published in most of the major magazines, but what I thrive on is daily community journalism. I most enjoy getting out in the state, talking to our readers, and making photographs that make them smile, cry, laugh or at least gives them a little different perspective on our community.

2021 CCC Photo Trip to the Blue Ridge Parkway.

2021 Blue Ridge Parkway Trip June 10th-13th

Our 2021 Blue Ridge Parkway trip is scheduled for June 10th-13th. The time of this year's trip has been moved up from its usual end-of-July time frame in order to take advantage of the rhododendron and flame azaleas that will typically be blooming along the parkway at that time of year. Other seasonal wildflowers we don't typically see on our trips will be blooming at that time. We're also adding more recommended shooting locations to the list, in order to provide some variety from the trips we've done previously.

A block of 20 rooms has been reserved at Maggie Valley Creekside Lodge at a special camera club rate. Unsold rooms will be released by May 10th. A room with two queen beds will be \$99/night after the club discount is applied. Feel free to go ahead and reserve a room by calling 1-800-621-1260. You may have to leave a message, but they'll call you back within 24 hours. Be sure to tell them you're with the Creative Camera Club, in order to receive the discounted rate. Other room configurations are available (King Bed with Jacuzzi, etc.) as well, and all will receive similar discounts.
